

Achieve Precision with Bonzer Litegrip Portioners

Streamline Your Kitchen Operations

Bonzer Litegrip Portioners are the ultimate solution for consistent portion control in professional kitchens.

Designed for efficiency and durability, these tools help reduce waste and ensure uniform servings every time.

Key Features:

- **Ergonomic Litegrip Handle:** Designed for comfort, allowing for effortless scooping, even with dense foods like mashed potatoes and ice cream.
- **Stainless Steel Bowl:** Food-grade quality ensures hygiene, and longevity.
- **Advanced Scraper:** Mechanism Facilitates quick and easy food release without sticking.
- **Color-Coded Sizes:** Available in 13 distinct sizes, each with a unique handle color for easy identification.
- **Hygienic Design:** No springs or food traps, making cleaning straight forward and preventing contamination.

Benefits:

Consistent Portioning: Maintain uniform serving sizes to enhance presentation and customer satisfaction.

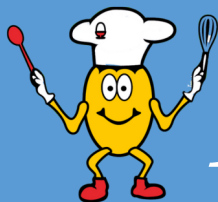

Versatility: ideal for various foods, including vegetables, rice, mashed potatoes, and desserts

Cost Efficiency: Reduce food waste and control ingredient usage, leading to significant savings.
